[BUGFIX] Fix unittest broken due to CRLF

Instead of providing a hardcoded filesize for Dummy.html of 48 bytes in the DataProvider read the actual filesize from the filesystem. This fixes a unit test failure on windows when using autocrlf = true in git.

Resolves: #64929

Releases: master

Change-Id: I5227f225cce1fd9dc107859825e19d64907fd110
