<b>Subject:</b>	As an Administrator, I want to run FLOW3 CLI commands in the Launch Bar		
<b>Description</b>			

### History

#1 - 2013-05-11 18:57 - Christian Müller

Lately I asked myself the question if that really makes sense/is desireable. It means we need to take special care about which commands to expose, because some might be security relevant and as a system administrator I might not want administrators to invoke those?
