TYPO3.Neos - Bug # 52384

Status:	Closed	**Priority:**	Should have
Author:	Christoph Dähne	**Category:**	
Created:	2013-09-30	**Assigned To:**	
Updated:	2014-10-01	**Due date:**	
Subject:	Error in console when selecting in-line-editable content in preview mode		

Description

How to reproduce:

- edit text
- go to preview mode
- then click another content element

Our guess is that the automatic CreateJS.disableEdit() in controller.js does not fully work, and does not unregister all event handlers. We might try to update Create.js and this could fix the problem.

Stack Trace:

Uncaught TypeError: Cannot read property 'element' of undefined create.js:573
- jQuery.widget._paramscreate.js:573
- (anonymous function)jquery-with-dependencies.js:10711
- propertyElement.enablePropertyEditor.deactivatedcreate.js:819
